

The Radford Animal Hospital Adult Wellness Programs were developed to give your pet the best healthcare at significant savings while being able to budget your pet care needs.

The keys to a healthier, happier, longer life are:

Regular Wellness Exams along with appropriate testing, so we can find and treat minor problems before they become major problems.

- Preventative care (using year-round heartworm and flea and intestinal parasite medications for your dog)
- Proper Nutrition
- Appropriate Exercise

Complete Wellness With Dental Plan \$49.99 per Month

Our Adult Wellness & Dental Plan includes all of the services in our Complete Dog Wellness Plan plus a professional dental cleaning. Because 85% of pets over age 3 have dental disease, a professional dental cleaning will slow the progression of dental disease and treat the infection.

Our professional dental cleaning includes:

A comprehensive physical and oral exam
Preanesthetic health screen (part of wellness plan)

Anesthesia and monitoring equipment

Oral examination of each tooth while the patient is under anesthesia

Scaling above and below the gum line to remove plaque and tartar with an ultrasonic scaler and hand instruments

Polishing with a fine grit polish to smooth any minor defects on the tooth surface
Irrigation to rinse and dry the mouth with pressurized water and air, which removes diseased tissue and plaque from the mouth

Home-care instructions

Grade 3 & 4 Cleanings and Extractions require additional fees***
